

The Stocked Fridge Fundraiser

Bring your family back to the kitchen table and earn money for Merrimack Friends and Families!

Imagine if you could pick up a healthy dinner with all the ingredients in your fridge ready to cook?

Here's how it works – for the month's of February, March, and April order your meals online at www.thestockedfridge.com, click on "Get Credit for Your Organization" toward the bottom of that same page, and choose MFF from the dropdown menu. Then, we do the grocery shopping, all of the prep work, and all the clean up. Just stop by our Merrimack store to pick up your dinners and/or side dishes. By ordering the meals, you simply take one of the meals out of your freezer – a healthy dinner thawed in the morning and cooked that night. All you do is cook the dishes in your own kitchen, and presto – a healthy nutritious meal!

Bonus!

Merrimack Friends and Families earns 10% of the amount spent by friends of Merrimack Friends and Families!
